PRINCIPAL'S MESSAGE...

Dear Parents,

Welcome to winter!! For many of us winter signifies cold mornings, going to work in the dark, coming home with the headlights on or open fires and marshmallows! For teachers the start of winter is report writing time and over the past week I have been reading of the successes our students have been achieving to date this year.

June is also the time of year when students, parents and teachers come together to discuss progress, the Semester One reports and to set goals for the remainder of the year. Letters about the Three Way Interviews went home yesterday and I would encourage you to make a time, suitable for your family, to meet with your child's teacher in Week 10 of this term.

Three Way Interviews (3WI's), in which students present their learning to their teacher and parents, are an opportunity for students to formally reflect on the learning that has taken place over a period of time. This reflection occurs as students prepare for the conference, as well as during the conference itself when they show and explain to their parents what they have learned. During the 3WI's some, but not all the work students have done in class over this semester, will be shared. It will demonstrate both strengths and weaknesses and it will help students, teachers and parents to state clear goals for future learning, based on the areas where students need to make more progress.

We look forward to welcoming you to school during the final week of this term!

Peace and Best Wishes.

FROM MR BLISSENDEN...

CHANGE OF HOME OR EMERGENCY CONTACT DETAILS

If you have any changes to your home or emergency contact numbers, please advise the school office as soon as possible. In cases of sickness or emergency, it is important that we have the correct contact details for your child(ren). You can also update your details via the school's Skoolbag app under the eForms tab.

STAFFING

Mrs Gosper will be taking a short period of Long Service Leave for the last two weeks of this term and the first three days of Term 3. Miss Boidin will be Acting Assistant Principal for this period. Miss Tomasic and Mrs Clarkson will work with Mrs Gosper's Reading Recovery and EMU students during this time. We welcome Mrs Eva Turkington, an experienced teacher who is familiar with our school, who will release these teachers during Mrs Gosper's leave. We wish Mrs Gosper a safe trip during her leave.

DAYS ABSENT REPORTS

As you know reports will be sent home at the end of next week and in one section of the report the number of days absent for the first half of the year is listed. I am often asked about the number of days absent as parents wonder 'how many days off is too many'? The evidence is very clear about school attendance – **every day counts**. We know that from time to time illness and unexpected events will prevent students from attending school but on the whole children need to be at school at every opportunity. As a guide – multiply the number of days absent on this report by 14 (being the number of reports you will receive during their Primary years) – this will be the number of days (at this rate) that your child will miss in his or her Primary schooling – there are about 200 days in a school year – **so 100 absences is the equivalent of half a year of lost learning** – which might answer the question 'how many is too many'?

VOLUNTEER TRAINING

'Building Child Safe Communities' is an initiative developed by Catholic Education, Diocese of Parramatta. It is a requirement that all volunteers must complete an online 'undertaking form' that confirms expectations in relation to behaviour whilst volunteering at schools. This undertaking form also seeks to determine the suitability of volunteers by requiring them to declare that they do not have a criminal history involving children.

The Child Protective Training module is a compulsory two-step process for all volunteers working in our schools and can be accessed via the following link: <http://childprotection.parra.catholic.edu.au> Click onto VOLUNTEERS. Complete STEP 1-Volunteer Form - Complete online. STEP 2-Training Module Read through the presentation then complete and submit the quiz questions. After successful completion of both steps, two notifications will be sent via email to the school and also to the volunteer's email address. The Volunteer Form and Training Module will remain valid for two years.

ADVANCE NOTICE—STAFF DEVELOPMENT DAY MONDAY 30TH JULY

There will be no school for the children on Monday 30th July as the staff will be engaged in some professional learning with a Scholar from the United States – Dr Edward Sri as we continue our work on our formation goal. We will be working, off site, with two other schools on this day.

THANK YOU TO OSHC

A big thank you to OSHC who recently funded the purchase of three new large picnic tables for the deck on the Mercy Site. Mr Frank assembled the last two tables last week and the children have been enjoying them ever since!

THE MAGIC WORDS...

Brainstorm Productions

On **Monday 23rd July** Brainstorm Productions will be presenting their student wellbeing program 'The Magic Words' for **K-6 students**.

The Magic Words is a live educational theatre show of comic adventures, which helps students discover the true meaning of using magic words - "sorry", "thank you", "please", "excuse me" - and come to understand that having good values and showing respect are an important and essential part of growing up. Students will also learn the value of using their 'magic words' online and how to safely share information about themselves and others in an increasingly digital world. 'The Magic Words' will charm and captivate students while revealing the magic and power of kind and gentle words.

The Magic Words is part of our student wellbeing curriculum (PDHPE) and the program has been developed in consultation with teachers, psychologists, as well as real-life student experiences. The methodology of the program is safe, supportive and nonjudgmental and designed to provide students with positive and useful tools that they can use in their everyday lives.

More than 350,000 Australian students have already benefited from Brainstorm Productions multi award-winning educational theatre programs over the past twelve months. Their programs cater to the specific wellbeing needs of students, helping to create a healthy and harmonious school environment. If you would like to know more about Brainstorm Productions, visit their website at www.brainstormproductions.edu.au
