Parents are required to walk their child/children to the hall entry door on the playground and sign them in. After the disco is finished parents will need to sign their child/children out of the disco.

Only Parent Helpers Will Be in The Hall

- On the night of the disco, *students with their parents* are to enter the hall via the hall entrance door on the back playground; please ensure that your child's wristband/s are on ready for entry and that you sign your child in. When picking up your child you will need to come to the sign in/out desk outside the hall entrance on the school back playground (parents are to sign children out FIRST and then go to the hall to collect their child).
- All children are to stay in the hall for the duration of the disco. No children will be allowed out of the disco. Children will not be allowed to play/run outside. Parents of any children misbehaving will be contacted and asked to collect their child/children.
- **Children will need to be bring a water bottle.** Students will all receive a water or juice and a small packet of chips to eat when leaving the disco.
- **Glow products** will be available to purchase on the night
